

There will be a curb sign of "Eye & Vision Testing"

- Patient to pull up to the star sign ★ before the entrance of the ACC building
- Patient will call the call center at 224-251-2020 then will check in with the PSA
- After 10 to 15 mins Tech wearing mask and goggles goes outside to the patient who is also wearing a mask, checks IOP with iCare then a televisit with their doctor 1-3 days later for results
